Member Update – from Club Captain Doug Claridge

A week off exploring the golf courses of the Nelson and Marlborough region has left me with the impression of what great facilities there are available to us around the country, but the lack of ability to have a warm up on a driving range, putting and chipping areas before playing (like at Harewood!), left me in a bit of trouble off the first tees of the courses I played. All double bogeys in the 3 rounds I played! Spring has definitely arrived here in Canterbury; the weather is forecast to nudge into the early 20s! Men this weekend have a hidden holes Stableford. The Ladies have club champs' finals weekend – semi-finals are Saturday and finals are played Sunday. Good luck all those in semi-finals and finals this weekend.

Some players may have noticed the freshly stained tee block markers and signs in the first 6 holes. Thank you to John Gold and his building team have been working on these over the fortnight and are aiming to have the completed by the time the Charles Tour arrives. This has been funded through the Saturday raffle funds. The bell in the clubhouse has been given a polish, thank you to Tony Pole of Pole Electroplating for his work.

New Member Welcome

A big welcome to all new members who have joined us during the August and September period. We hope you are enjoying the extensive golfing facilities on offer here at Harewood and also the social side post-round. We continue to see good numbers of new members signing up the first half of September and member support for this is very much appreciated. Remember there is an introduction fee of 20% of the new members' fee payable to you for any member joining during the subs year.

Member Skills useful to the Club

As always we like to use our sponsors and/or members skills, products and services where the need arises so if any members new or old have landscape gardening or arborist (tree) expertise then please contact the office.

Membership, Bag-Tag and Reciprocal Cards

The 2018/19 season cards are available for collection from the pro-shop from Saturday. If you would like these posted please email play@harewoodgolf.co.nz or call 03 359 8843.

Driving Range – Grassed Area Closed for 2 weeks of Renovation

The course staff will be undertaking a full renovation of the grass practice area on the range from this coming Monday the 17th. It is expected to take up to 2 weeks for the new growth to take hold but it may be open earlier if we have favourable weather. The covered bays are obviously unaffected and are available for members and guests to use as always.

Charles Tour Harewood Open – Billets Still Required

We have had several offers from members to help with billeting players which is greatly appreciated. I've had quite a few requests this year so if you or anyone you know are able to assist then please let me know and we can discuss the best option from those players that have registered interest with me. Many thanks – contact me at neville@harewoodgolf.co.nz or 03 359 8843 opt 4.

Harewood Open Pro-Am October 3rd

There's still plenty of room for team entries for this so if you or anyone else you think would be interested in entering a team then please contact Neville.

TaylorMade Fitting Day

Craig & Carl will be hosting another TM Fitting Day on Thursday September 27th so please contact them in the pro shop to register your interest.

Pollock Cup Update – from Pam McTaggart

The Harewood Ladies team will be playing in the semi-finals of the Pollock Cup. We qualified 4th ahead of Waitkiri, Waimari Beach and Weedons. A really great achievement for the very committed extended group of players. We play at Russley on Sunday 30th September starting at 8am against the top qualifiers Pegasus. Pegasus have gone through unbeaten so will be an interesting game. The winner will play in the finals in the afternoon.

Men's Interclub Update

Our Woodward team delivered when it mattered in the relegation match last Sunday vs Avondale at Pegasus. A 5 ½ - 2 ½ result and of note was last-minute replacement and Simon team regular **Ryan Barham's** win 1up – well done mate. The Blank squad had a great victory over top side Russley at Templeton 5 - 3 but ultimately were victims of another result not going their way. A 4 all result in the match between ChCh and Waimairi would have been enough to get them in to the top 4 finals day but Waimairi got the extra ½ point with a 4 ½ to 3/ ½ win in a close one. It was a pleasure being player/manager of the team this year and I know we are all keen to win that trophy in 2019. As reported last week the Simon team finished their round robin campaign and play their semi-final against Waitikiri at Russley on Sept 23rd. Get along and support our Interclub teams if you can – it's always appreciated by the players.
