Bereavement – Ken Stevenson

The flags have been at half-mast since Monday with the sad passing of Ken. He was a great friend to many here and **Tony Marriner** has penned the following tribute.

“It is with sadness I mention the passing of Ken in the early hours of last Monday morning. Ken was sadly and unexpectedly diagnosed with bowel cancer in 2017. Ken had been an active Senior Harewood Club member since the early 80’s. Ken loved golf with a passion, especially on the new layout at Harewood, where he made many friends. Ken enjoyed success winning the Junior B Club Championship, also a ‘Hole in One’ on the old Woodlands course.” Ken is survived by his wife Alison, daughters Julia and Hannah and wider family.

Member Subs 2018/19

These have all been either emailed or posted during this week. We are aware of some issues with Xtra email addresses and possibly others not receiving the email and invoice attachment. The subs are automatically generated out of Dotgolf and clearly some servers are blocking them as spam due to increased security filters. If you normally receive the Woodlands Word via email but have not received your subs on email, then please contact Martin or Neville in the office.

Mid-Winter Xmas Dinner Postponement – Refund

The above event was postponed on July 28th and finding an alternative date is proving challenging. The caterers will organise another event closer to Christmas but in the meantime if you haven’t already please contact them about a refund if tickets have been purchased.

Jennian Homes Charles Tour Harewood Open – Pro Am October 3rd

New Members – the “Woody 100 Campaign”

As previously advised we have retained our new member special campaign from last year with the full playing membership of \$995 for the 2018/19 subs year. The new member introduction discount of 20% of the new member fee paid is also part of this special so members are encouraged to promote the Harewood membership offer far and wide and be rewarded for your efforts.

Club Captain update – from Club Captain Doug Claridge

The weather forecast for the weekend may require jacket and umbrellas. The first Saturday for over a month where the weather could be less than perfect for golf. This weekend sees the first round of qualifying for the Men’s Sponsors Cup with the second-round next weekend. There will be 32 pairs to qualify with the best round of 2 to count. The first round of this 4-ball knockout will be the 8th of September. Please be aware that the knockout rounds must be played on or before the date of the round. Please consult the match committee if you need to change from the scheduled draw. Entry is \$10 per player. The Ladies this weekend play for the Marlin Trophy or a hidden holes stableford.

Last weekend was spring like conditions for the monthly medal. The good weather allowed Colin and his greens staff to present the course in great condition. The greens were fast and the pins in some challenging positions.
