Members News

Renewals, Change of Membership or Resignations due by 31 July 2018

A final reminder that members should advise the office in writing (letter or email) if they wish to make any changes to their membership category or resign from the Club by 31 July 2018.

Members who think they may be eligible for Veteran status, i.e. 70+ years and 20 years continuous full-playing membership, should contact the office and request the change.

As previously advised the fees remain unchanged for the 2018/19 season. Some of the age-group members may move to a new category depending on their age as at Sept 1st. Some of these changes may see a significant increase in their annual sub so we will contact those affected and advise of the options available.

Membership Fees 2017/18

All members must ensure their subs for the 2017/18 are paid in full by 31 August. For those paying by instalment you should have received statements from us via email so please check these to ensure your AP covers this year's annual fees. Please contact the office if you wish to check with us directly. We will not be carrying over any arrears into the new subs year so to avoid any embarrassment when trying to print a card, please check your accounts. Many thanks – Neville

Pollock Cup starts this Sunday July 22nd

Pollock Cup commences this Sunday at Waitikiri at 9.30am. We are playing Waimari Beach, a returning entry after several years without a team. This year sees several changes including the team now being 6 players and a named reserve, clubs being able to select players from a draft pool and having to name players up front on entry. It continues to be off the stick match play in handicap order, and this year has seven teams taking part. We continue our strong history in this event and are pleased to announce the following players have been selected to represent Harewood this year:

Catherine Knight, Lynda Brown (import from St Andrews, Timaru), **Anne Dick, Jill Balloch, Debbie Scott, Julie Jones** and **Liz Warren**. **Pam McTaggart** is the manager of our team this year. We are

very fortunate to have several other members who registered their willingness to play for Harewood and we therefore have a strong reserve list to call on if needed.

We wish all these players the best of luck, especially those playing in Pollock Cup for the first time. We know you will do your best and do Harewood proud.

Club Captain update – from Club Captain Doug Claridge

We continue to be blessed with good weather. This has allowed the greens staff to get out and mow and keep the course in great condition!

Sunday sees the Woodward teams here, so a good chance to showcase our course facilities with the top Canterbury Interclub golfers. Please remember to carry a bucket of sand and fix up your divots to help keep the course good for all players.

This week sees the men play off the yellow tees, it counts for those of you in the shootout. Ladies play a Stableford round.

Please be mindful that even though we're playing a shorter course, speed of play may be a problem. There will be some of us who will take the risk for the reward of driving the greens.

Please be aware of the groups around you, play ready golf and try and keep up with the group in front of you. Don't be a shed dragger, enjoying the view in front, but being blissfully unaware of the que of traffic behind you!! (Apologies to any actual caravan owners!)

BCHP finalists are all but confirmed, draw is in the Proshop to be played 28th July.
