#### Member Update – from Club Captain Doug Claridge

The spring equinox is here, from Monday the days become longer than the nights. Already it is noticeably lighter in the evenings and twilight golf is just around the corner. The course is changing with the spring weather, there is more run and the rough is starting to thicken up. The Charles tour is only 2 weeks away the course is closed from the Tuesday 2/10 to the Monday 8/10. For those golfers wanting to play the weekend of the 6<sup>th</sup> please talk to the Proshop in respect to what reciprocal rights that are available on other courses around town. We are getting larger fields on Saturdays, last weekend the Saturday field was 145 golfers. Being aware of your tee time, play ready golf and keeping up with the group in front is a good strategy to not slowly the pace of play on the course. With big fields one slow group or missed tee time can concertina down the field to players following.

Congratulations to Matt McLean for his win at the North Island Stroke play at Whakatane. Tied for the lead after 2 rounds, he dominated the tournament to shoot two 65's in the final 2 rounds to win by 9 shots. Well done Matt! This week the Men have the Ashby mugs played in a pair combined stableford format. Ladies are playing LGU and the 3<sup>rd</sup> round of the Harewood Cup.
