Volunteers Working Bee last Wednesday 20th

Thank you to the 10 that attended on Wednesday. Gardens, Pinecones, branches and some weed eating done. Great job!! The next programmed morning is **Sunday May the 19th**. Pine Cones and gardening are jobs that could be done at any time if you have a free hour. Would be much appreciated. Thanks – Julie Jones

New Foyer Phone

Last week we changed to a VOIP telephone system (internet based) which has meant a relocation of the foyer telephone. This is now located near the office sliding windows under the Club Officials board.

Technology Projects Update

Things are progressing well although not quite as quickly as we first planned. The new VOIP phone systems are in place and working well. The new scorecard scanner will be here next week as will the new, 3-part scorecard we have designed. Once tested this should be in use in a week or two. The new website is 95% complete and once we have tested new features such as the online tee booking function then this will be ready to go live. The last and most complex of the projects is the switch of POS terminals in the bar and pro shop. We are planning to have DotGolf here for implementation on Monday March 11th and all going well we will be able to offer additional member services soon after.

Club Sponsorship

We are currently talking to several potential new sponsors but there is always room for more. We can tailor sponsorship packages to suit with fees commensurate with benefits such as membership(s), signage, green fee vouchers, course or venue hire and promotional opportunities. All course sponsors and Harewood Open pro-am sponsors are invited to the annual sponsors golf day also. If you or someone you know of are interested in a discussing a sponsor relationship at Harewood then please let Neville know.

Canterbury Club Golf Forum – “Managing your Club’s Future”

In conjunction with Canterbury Golf and Clearwater Golf Club, Harewood has been involved in the organising of a Forum day for Canterbury Clubs on Sunday May 5th. This is the first ever District club forum held in NZ. The day will be spent discussing and workshopping subjects such as maximising club profitability, new technologies, governance and club sustainability. A number of Harewood officials, members and staff will be in attendance in what should prove to be a very interesting day.
