Member Update – from Club Captain Doug Claridge

This week's rain has not made our course soggy at all, in fact it is just going to add to grass growth. Those that are playing this weekend will notice a couple of cosmetic changes around the course environs courtesy of the volunteer gardening / clean up group on Wednesday morning. A big thank you to those who provided their labour to achieve these changes. The grass has certainly grown, and I think the scarifying of the fairways and fertilizing has made them thicker with good grass cover. This weekend sees the final of the Men's 4 Ball best ball sponsors cup. Alan Dickson and John McRae play Jock McKay and Bruce Gillespie in the final. The Ladies play their final on Saturday as well. Matt McLean plays in the Canterbury Men's team next week in the Toro Interprovincial. For those wanting to watch him, he plays Daniel Hillier from Wellington in the first match from 8.40am on Monday 26th at Clearwater Golf Club. This will be a great opportunity to get out and watch some high-class amateur golf match play events next week. Best of luck to Matt and his Canterbury team mates. The course last Saturday was in great condition, this was reflected by the high stableford scores in both grades. Notably the winner of Div2 Bruce Chalklen, played one over his age for an 80 gross score and 45 Stableford points. Sam Watkinson continues to play solidly shooting 68 off the stick, for 42 points, however this was only good enough for 4th place in the men's div 1.

A reminder for Saturday 15th of December for the Closing Day Xmas Hamper. Tee off will be 12 .00pm with a mixed multi tee start. We are looking at rolling the BBQ out to have a cook up prior to tee off. Normal Shotgun entry fee of \$15.00 will apply.

Best of luck to those who are playing Sponsors cup 4 ball finals this weekend. Fingers crossed it stays dry for Saturday’s golf.

New Member Welcome Day ~~Cancelled~~ – Sunday November 25th

Unfortunately, the weather looks horrible for Sunday (and all next week) so we have made the call early and cancelled the new members welcome event. We will look to reschedule this in the New Year.

Pro Shop – A Plea to Members

For some time now we have had an issue with stock variances in the pro shop, particularly in the area of food and beverage items. One of the reasons for this we believe is members are taking a drink from the fridge or food items near the counter and asking staff to take it off their member account as they leave the pro shop. Often this is during busy times when staff are serving others and it is simply impossible for them to then recall who took what items and then enter the transaction in the system. All items purchased should be scanned by staff prior to leaving the shop so can we ask that members please take a bit more time to allow this to happen in busy/peak times. Your assistance is much appreciated.

Membership Cards & Bag Tags

A reminder to all members that bag tags need to be displayed at all times when on the course. I have asked all of our staff to be aware of who is on the course, particularly later in the afternoon/early evening when non-members may look to get a free game after the pro shop has closed.

2019 New Rules Changes

NZ Golf continue to do a great job in disseminating information about the new rules coming into effect on January 1st 2019. There are A3 posters on display on our noticeboards and this is a link to their website where there are several resources available to download and also videos that are very informative.
