Member Update – from Club Captain Doug Claridge

Summer is still 5 weeks away officially. The beautiful Labour weekend weather gave us a sneak peak of what summer golf is about with warm weather and sunshine. The year's golf competitions are nearing completion. The 4 ball Sponsors Cup reaches the semi-final stage this weekend., There is one match being played this weekend to decide one finalist pair, with the final to be played on the 24th of November. The other match has been delayed due to an injury to one player. It is the final round for those who have entered the shootout, there is a clear cutoff number of 227 at present for the 19th spot in the Shootout Sunday on November the 4th. There are a couple of players who with a good round this weekend could sneak in to the final 19. The Shootout Sunday is the 4th of November, the ladies will tee off at 8am from the No 1 tee with the Men to follow at 9.30am. Men, please advise me if you have made the final 19 and are unavailable to make the final.

The ladies have the closing rounds of their Stroke, Shootout, ringers and the final round of the Patterson Salver this weekend. The men play a 4-ball best ball stableford.

Enjoy your weekend's golf

Health & Safety

Just another reminder about our trees on course and the danger they can present. In recent weeks we have had a couple of substantial branches come down and with the hotter weather and drying winds we are very mindful of the risks to players that our very mature trees present. We are developing a tree trimming and removal plan but with so many potentially needing attention and at significant cost to the Club, it is going to be a long process. Please be aware of the situation as we work to reduce the risk as quickly and as practically as possible. Thank you.

Volunteer Help Please!

WEDNESDAY 21st NOVEMBER
9.30am to 11.30am

Course surround tidy up. We want to have a Volunteer morning on a regular basis. Every month or maybe 2. It will be held on a Wednesday or a Sunday for those that are unable to help during the week. Colin will help manage the areas of concern. Please bring weed eaters, trimmers, rakes, etc, if you can. Look forward to seeing as many helpers as possible.

Thanks – **Julie Jones**

Member Congratulations

Harewood featured very strongly last weekend at the Canterbury Matchplay Championship at Waimairi Beach. The final was between **Scott Manyweathers** and **Matt McLean** with Scott winning 2 & 1 in a see-saw battle. **Blair Dibley** also worked his way into the Masters final and in a close match he prevailed 1up. Congrats on a great weekend fellas. To top it off all 3 were named in their respective Canterbury squads for upcoming tournaments – Scott and Matt in the South Island Interprovincials being played in Methven 27-28 October and Blair in the NZ Men's Freyberg Masters at Taupo GC 12-16 November.

NZ Golf Apps are here!

NZ Golf have released 2 new apps which are available via the iTunes store only at this stage with Android versions being released shortly. The apps are NZ Golf and DotGolf and you can view your scoring records, your friends and their activity, book tee times etc.

Sponsorship

We still have 3 holes available to sponsor on the course and a number of driving range bays also. If you or anyone you know might be interested please get in touch with Neville and he can discuss the various options available.
