Eagles Raffle 2018

Thank you and congratulations to club members on an outstanding response to the event this year. We sold all tickets in a record time and hopefully the draw will result in some prizes for Harewood. Many thanks for your generosity and to those who kindly arranged ticket selling and collated the details. Over the years some \$6 million dollars has been distributed for the benefit of Junior Golf and our club has played no small part in this exercise.

Thanks again Harewood - Les Scott – on behalf of the Eagles Society of NZ.

Junior Golf Programme on Sunday's

We have had a couple of sessions now with James and Carl Brooking running these between 1 to 2pm each Sunday. Attendance has been very good with around 12 juniors each week but more are welcome to join in the fun. If you wish to register please contact the pro shop or email the details to harewoodproshop@gmail.com We are also offering a junior membership for \$99 for those attending the coaching. If any adults would like to assist James and Carl on the day then I'm sure they would welcome a hand!

Sunday Member Competition 2018

The comp returns this Sunday April 29th and will be held on the last Sunday of every month for the remainder of the year. Arrive 10:00am for a 10:30am start.

New Hole Sponsor – Cassidy Davies Electrical

A warm welcome to Dylan Cassidy and Tim Davies and their electrical contracting business Cassidy Davies Electrical. Dylan & Tim are existing members their hole sponsorship will be on the par 3 6th. CD Electrical will also be the Club's preferred electrical contractor and if members require any electrical work themselves please refer to www.cdelectrical.co.nz for all the details. Welcome aboard guys!

Entertainment Book Fundraiser - 2018/19

You are able to purchase the 2018/2019 via the Club and help us raise funds at the same time. The membership is \$70 and the Club receives \$14 of this. Both the book format or digital membership (smartphone) options are available. Forms are available from the office or the easiest way to order is to go online via the links on our Facebook page or Website to place your order. Thanks as always for your support.

The Course in Winter

In the past month or so our course has recovered remarkably well from the long dry summer with less bare areas and decent coverage on most fairways. As winter is nearly upon us and the change to winter tee-times for some groups in May, the course staff will be adjusting their routines and due to reduced growth you will see more length on fairways and tee blocks. As always we remind members to lead by example and repair all divots and pitch-marks.

Bereavement – Ron Brown from the Midweek Men

We acknowledge the passing earlier in April of long-standing member and midweek man Ron Brown. Ron was a retired bank manager (National Bank) and joined Harewood back in 1970. The Club was well represented at Ron's funeral with a number of the MWM in attendance.
