Harewood Open - Pro-Am Wednesday October 3rd

Very last chance to enter a team in this so please contact Neville if having a great day on and off course playing with one of NZ best professional players appeals to you! A gourmet BBQ lunch, drinks, buffet meal and prizes are all part of the entry so don't miss out!

Harewood Open 2018 – Volunteers Call

Still volunteers required so if any members are available and interested in helping during our Open then please let Neville know. This would be Thursday 4th through to Sunday 7th but any help on one or more of those days is still appreciated.

Come and Watch NZ's Best!

Thursday see's the first round of the Harewood Open get underway. We have a field of 110 players with 38 male professionals, 47 amateur men and 25 amateur women competing. This includes our very own professional duo of **Craig Mitchell** and **Carl Brooking**, who will be joined by members **Gavin O'Hara**, **Rob Gregory**, **Scott Manyweathers** and **Josh Smith**. Good luck to all of you fellas. One of the mysteries to me in my 3rd event here is why there aren't more spectators (both members and non) following our leading amateur and professional players. I know many are playing on a Saturday but it is rare we get such an elite field in the South island let alone right here in Christchurch. So, a plea to make the effort and ring your golfing mates or round up the kids or grandkids and head out to Harewood. It's free entry, the bar and café are open and you may even pick up a caddying job if you fancy it! Hope to see some of you here over the 4 days.

Member Update – from Club Captain Doug Claridge

The Charles Tour is played next week and consequently the course is closed from Tuesday. This is great opportunity for golfers to get out and explore some of the 30 + golf courses that Canterbury have to offer. There are some great little country course gems within an hour's drive of Harewood. West has Hororata, Methven and Waimak Gorge, north has Amberley, Scargill and Cheviot to mention a few. There is also the option to use your reciprocal rights cards or a reciprocal right on another course due to Harewood being closed due to a NZ Golf event. The Shootout is drawing to a close for the Men and Women. Shootout Sunday is the 4th of November. There is a log jam at the bottom of the qualifiers, with 6 players sitting on 225 and 226 vying for 18th and 19th place. The final round for both men and ladies is the 27/10/2018, there has been an additional round added into the programme for the men instead of the advertised in the programme final round on the 2/10.

This weekend is the quarter finals for the Men's Sponsors cup, the semi-finals are in a months' time on the 27/10. Good luck to all those in the 4 ball match play games. This weekend the men play a stableford round, the ladies play an FMS.

Congratulations to the winners of the Ashby mugs; 2 new members Peeters and Rutherford. **Chris Sweeney** also collected one of his sponsored eagle monogrammed balls for his hole in one on the 15th. Results 22 September:

Members Comp Sunday – Sept 30th

The popular Sunday members comp is on again this Sunday 30th so take advantage of the \$30 members guest rate special and get non-members along to play our course – which is in brilliant condition ahead of the Charles Tour next week.

Membership, Bag-Tag and Reciprocal Cards

A final reminder that the 2018/19 season cards are available for collection from the pro-shop from Saturday. If you would like these posted please email play@harewoodgolf.co.nz or call 03 359 8843.

Simon Cup Lose in Sudden Death Semi-Final Playoff

The Simon team were desperately unlucky last Sunday in their semi-final against Waitikiri at Russley. With the teams locked at 4 a piece it went to sudden death extra holes and the very experienced Paul McEwan won the 2nd extra hole over **Ryan Barham** to see Waitikiri home. A very good season lads and I know how keen you are to go even better next year.

Semi-final/Finals Day for Pollock Cup this Sunday

This Sunday 30th September, at 8 am Harewood play Pegasus at Russley Golf Club, in one of the Semi Finals starting at Tee No 14. It is very early due to daylight saving changes - winter time start of 7am! Team for the Semi-final is **Catherine Knight, Lynda Brown, Anne Dick, Debbie Scott, Lynn Brand and Julie Jones**. It would be fabulous to see Harewood members out to support these matches.

If we win, we will progress to the Finals that are played that afternoon. Hopefully it will be a very long day! Thanks - **Pam McTaggart**

Hole in One x 2!

In recent weeks we have had 2 more members achieve that rare feat of an ace. The first was **Kay Gilray** who holed her tee shot on #6 on September 18th. Last Saturday we had long-time sponsor and world class pool builder **Chris Sweeney** knife one in on #15 for what I think was his 3rd HIO. Congrats to you both!
