### Members News

#### **AGM – Tuesday July 3<sup>rd</sup> at 7:00pm**

A last reminder that the 2018 AGM will be held in the Clubhouse on July 3<sup>rd</sup>. Notices of Motion and Nominations for Officers/Directors (3 positions available) are now closed and we have received 5 nominations. Details of the nominees have been posted in the Clubhouse and have also be emailed via Woodlands Word. As we have 5 nominations we will have a ballot on the night. You should have received the Annual Report 2018 in the post but if not we have copies available in the office and on the night itself. If you haven't received this via post then please check your address with the office and update us where necessary. Please also advise of any AGM apologies to the office.

#### **Members Guest – Green Fee Rate Reduction**

Don't forget to keep promoting the special winter rate of \$25 for 18 holes and \$15 for 9 holes for members guests green fees. Please be proactive and take advantage of these rates by getting friends, family or colleagues to experience our great course and facilities at Harewood, especially in this wet winter weather and how badly this has affected many other courses around town.

#### **Club Captain update – from VCC Doug Claridge**

High pressure has arrived bringing frosts and drying the course out, after a damp 3 weeks. The wet and heavy course had some influence on the scoring in both the men's and women's stableford completions played last weekend. Last weekend saw the first Multi tee start for a normal Saturday competition, the Men playing for the Bell Mugs and ladies playing a combined stableford. After a heavy frost, the first one for the winter, play got underway at 11.00. It was good to see a full clubhouse for prize giving, and a well-supported event. There is a further Multi Tee start planned in the programme for the 4<sup>th</sup> of August. Please note this will also be date for the annual auction run by Phil Rotherham to raise funds for the Players Fund and Junior Golf. More will be published about this

This weekend sees the second round of the BHP Match play for men – if you don't know your tee time please contact the Proshop, the draw is up on the board in the Pro Shop. Members playing not in the BHP have a stableford competition. Ladies have the FMS Stableford competition.

Happy golfing this weekend - frost forecast so it should be a good day for golf! Please remember be on time for your tee off with the 2 tee start, carry a sand bucket for divots and enjoy yourself!

#### **Players Fund Auction – August 4<sup>th</sup>**

The next multi-tee start on Saturday August 4<sup>th</sup> will also be the date for the annual auction run by Phil Rotherham to raise funds for the Players Fund and Junior Golf. More details will be advised shortly but if you wish to donate any auction item(s) then please let Neville know.

#### **Course Care – members should lead by example**

The Board have implemented a compulsory sand bucket rule in an effort to protect and maintain the condition of our fairways. It should go without saying that pitch marks should also be repaired. Please make the pro shop aware if there is a shortage of sand buckets either on 10 or 1.

#### **Emergency Contact Details for Pro Shop and Office**

Several recent medical events on the course have highlighted the need for players to have the contact numbers for the pro shop and/or office at hand or in their phones. The pro shop number is printed in the middle of each scorecard but it is probably best to have both numbers in case of an incident requiring an immediate response. The Pro Shop is 359 8853 and office is 359 8843 option 4.

#### **Sponsors Needed!**

We have a couple of hole sponsorships open at the moment, being holes 15 and 12. If you have a business or know someone else who may want to support the club and enjoy the flexible benefits that come with being a sponsor then please get in touch with Neville in the office. We also have quite a few driving range bays yet to be sponsored so again, if you know of any businesses that could benefit from the exposure their signage would bring then please get in touch.
