Pollock Cup Update - Woohoo!!

Yes, a big cheer for all concerned; players and caddies. We won 3.5 to 2.5!! We played Russley at Waimairi Beach in the 2nd round of Pollock and now stand at the top of the table. On a bitterly cold, windy and often wet Sunday, our team did a magnificent job to win. We would have been classified as the underdogs, if you were a betting person. Only one of the Russley team was over 16 years of age, proving that age and experience can come through with our team ages from 45 and I know some are in their 60s! Catherine Knight had the dubious pleasure of challenging Juliana

Hung. Juliana is on a +4.5, is 16 years old and has recently won the NZ Stroke Play Championship, and just returned from St Andrews, Scotland for Amateur Golf etc. With all of that Catherine was in charge just about the whole way around. She proved experience, knowledge, skill and sheer determination is a great leveller; the match ending up All Square. Anne Dick certainly had more than a battle with Amy Weng on 1.7. Amy didn't have a bogey and was 2 under the card at the end of their game. Anne played to her handicap but still lost. Liz Warren, playing at No 3, was up against the big hitting Maddie May on 2.8! Liz started superbly going 2 up after a few holes. Maddie came back and was herself 1 up until 4 holes from the end when Liz won the final hole to secure the valuable half. Debbie Scott returned from sunny Noosa enthusiastic and focussed. She was always ahead in this game. She was playing Estelle Lu (aged 10) on 11.7. Debbie won 3/2. Julie Jones came back from a defeat last week, halving her match against 12 yr old Jasmine Clancy. Of great excitement, Julie played a wedge shot from behind the bunker on No 14 that went into the hole for an Eagle! She was up most of the way but went 1 down on the new par 3 No 5 (the 2nd to last hole that we played) but bounced back to win the last. Our wonderful draft reserve player, Lynn Brand, continues to impress and play brilliantly for Harewood. We are very pleased and honoured to have her as a player. She won convincingly 5/4 over Mihee Woo. Thank you to all the caddies braving those horrible conditions. Your help and support is most appreciated. We play at Weedons against Christchurch on Sunday teeing off at 9.30. **Pam McTaggart** (Manager).

Mens Interclub Results

Round 3 for the Men saw our Woodward squad have a narrow loss to Christchurch 4.5 matches to 3.5 at Russley. It doesn't get any easier this Sunday when they face 3rd placed Pegasus at Templeton – starting hole 7. Our Blank squad lost 6.5 matches to 1.5 against a very strong Templeton outfit at Coringa, but this didn't reflect the closeness of all the matches with most going down the 18th. Lowly Pegasus next up at Clearwater on Sunday – starting hole 10. The Simon boys dispatched Christchurch at Templeton 6.5 matches to 1.5 to sit 4th and they are hoping home advantage this Sunday will make the difference vs table-topping Avondale – starting hole 1. Good luck to all teams.

New Members – the “Woody 100 Campaign”

As previously advised we have retained our new member special campaign from last year with the full playing membership of \$995 for the 2018/19 subs year. The new member introduction discount of 20% of the new member fee paid is also part of this special so members are encouraged to promote the benefits of Harewood membership far and wide. You will hear more about “Woody 100” as we head towards 31 August but we are seeing a lot of enquiry this year so far!
