Men's Interclub

Our Woodward team had a 6 – 2 loss to a strong Russley outfit last Sunday so really need to pick up some points in the last 2 rounds. They take on Waitikiri at Avondale this Sunday – starting hole #9 and good luck to those stepping in for the 4 regulars who are away this week. The Blank squad are hosting here at home so take a break with a bye this week but had a strong and needed win over Christchurch last weekend at Weedons. They sit 3rd in a very tight comp so it will definitely come down to the final round in terms of making the top 4. The Simon team had a good battle with 3rd placed Templeton last Sunday, sharing the points 4 all. They are Waitikiri (starting hole #15) vs last placed McLeans Island so points on offer there this week. Get along and support any of our Interclub teams if you can.

Pollock Cup Update – from Anne Dick

A calm and mild day greeted our team on Sunday at Clearwater. Unfortunately teeing off number 6 had us feeling like we had played half a round before we even started! Not to mention we caught the groups in front which made for a very long day. With our import player **Lynda Brown** still injured our regular stalwarts took on Weedons. Lots of close matches were played with the final result being a 3-3 half. **Lynn Brand** playing at #4 continued her winning way showing her commitment to us defeating youngster Deanna Matthews 5/3, and **Julie Jones** at #5 had a solid win 4/2. **Anne Dick** playing at #2 secured the team half defeating Nicky Muir of Hororata 4/3. Unfortunately, the putts didn't drop for us over the final few holes in the remaining matches, although we fought hard to the end. **Liz Warren** lost her match 2/1, and both **Debbie Scott** and **Catherine Knight** lost their matches 1 down. Thanks to our caddies, spectators, and to **Kay Gilray** and our Life Member **Kath Sullivan** who helped manage for the day with Pam overseas, for their support. Priceless is a word I would use to describe Kath's face when I told her I had managed to win my match - one of shock and excitement mixed in one! - needless to say it wasn't looking good the most recent time Kath had caught up with our group. This week we take and 2nd placed Pegasus, a strong team with several low handicaps at Christchurch teeing off #1 at 9:30. With several players unavailable, we are grateful for those who are playing and I have confidence you will battle hard and give it your best. Anne.
