Member Update – from Club Captain Doug Claridge

Spring sprung us a great day last Saturday, and this weekend looks like another spring day, with sun forecast. It's going to be a busy Saturday on the course with Match play events in both Men's and ladies' competitions. The Ladies are playing the first round of club champs, and the men play the first round of the 4-ball match play aka Sponsors Cup. The tee bookings are solid, please be patient if you are held up, and also be aware of your situation in the field of play. It is not about keeping in front of the group of behind you but keeping up with the group in front. There are competitions for those who have been knocked out or are not playing the match play events. Other ladies play a stableford round, and men have a par round. Some of the Men's 4 ball knock games have been played, most notable is the knockout of the top seeds (Dale & Claridge) by the bottom seeds (Hedges & Badger). If you are playing on a Saturday it is a requirement that you enter an event of the Saturday competition to play in the Saturday field. Congratulations to Matt McLean who won the Queenstown Open played at Queenstown Golf club last week. Well done also to Gavin O'Hara who finished 4th the master's grade. There was a contingent from Harewood who went down and played the tournament and I am sure they enjoyed the sights of Queenstown both on and off the course.

Results: Saturday 1 September

Men's Interclub

Our Woodward team went down to Waitikiri 6 – 2 last Sunday to continue their retched season. They now face a relegation match this week against Avondale at Pegasus – starting tee 4. Thanks to Simon regular **Ryan Barham** for stepping in at short notice to make his Woody debut. Blank have a big task ahead of them coming off the bye with a win against table-topping Russley this Sunday a must-win game. They sit 5th in a very tight comp and it will definitely come down Sunday's results to find the top 4. Starting hole 1 for them. As player/manager I know the boys are pumped to knock off Russley and fingers crossed the Waimairi vs Christchurch match goes our way too. The Simon team finished their round robin campaign strongly with a 5 – 3 victory over McLeans Island which saw them finish in 2nd spot. Well done lads and good luck for the Sept 23rd semi-final vs Waitikiri at Russley. Get along and support any of our Interclub teams if you can – it's always appreciated by the players.

Pollock Cup Update – from Kath Sullivan

With Anne Dick away on School Hockey Duty and Pam having a deserved break in warmer climates I had the pleasure of managing the Pollock Cup Team on Sunday. The weather was overcast, quite still and cool when the Harewood Team started their 6th round match against Pegasus at the Christchurch Golf Club. The Christchurch Golf Club is undertaking huge changes to their course and this was a pity because the golf played deserved to be played under much better conditions. This was a tight encounter with 4 of the 6 matches going to the 17th and 18th greens. Debbie Scott and Julie Jones found their competition a little too hot to handle – their opponents played exceptionally well and there was quite a difference in handicaps. The 5th and 6th pairings of Liz Warren and Lesley Hedges had real battles – both were down early but fought back. Lesley in her first Pollock Cup played very well and lost 3/1 on the 17th. A very creditable performance. Liz and her partner were all square for 5 or 6 holes until Liz played a shot she will remember for a long time. On the par 4 17th Liz put her second shot with a 5 wood to be about 4 feet from the pin – enabling her to go 1 up with the 18th to play. A very good par saw Liz win 1 up at the 18th. The last pairing of our No 1 Catherine Knight and our Import Player Lynda Brown had real tussles with their opposing opposition. The golf was of a high standard with Lynda winning 2/1 on the 17th. So Harewood had two wins and Catherine drove off the 18th tee 1 up. However, it was not to end happily for Catherine who lost the 18th to a birdie 3 to Hillary Connor. Pegasus prevailed 3 -1/2 to 2/ ½. Next week Harewood have a bye so we will have to await the outcome – we are hoping for a top 4 placing – we will just have to wait and see!!
