- 16 Mar Harewood 4BBB Rnd 1, others 4BBB nett, Monthly Medal – White, Blue, Black Tees

Members News

Member Update – from Club Captain Doug Claridge

Heavy rain on the roof overnight will have some people wondering what that sound is. With minimal rain over the last 8 weeks the rain will be a welcome relief for farmers and reducing the fire risk. Colin and his team of Dan and Jared continue to keep the course in great condition. Looking at the results from last Saturday's Stableford competition the course is playing well and competing golfers playing well. If you didn't score 40 + points you weren't in the money. Of note **Matt McLean** shot 63 off the stick, but with his handicap of +5 gave his 40 points and good enough for 7th in the Div 1 competition. **Anne Dick** also had a great round carding a 2 over 74 for her best round for some time. Rumours are the yips have been banished!

This week the Men play the second qualifying round of the Harewood 4 ball best ball (Sponsors cup) competition. This is a great format of 4 ball knockout and given the course conditions there should be some jockeying of seedings for the first round scheduled to be played on the 23rd of March. A reminder that if you are entering the matches need to be played on or before the scheduled date for the knockout rounds. The Ladies have the LGU, putting, 2nd round of eclectic and Rnd 1 of the Patterson Salver. The Ladies have the first round of their 4 Ball competition next weekend (16th March) and the Men have a March Monthly medal of Black /blue/white tees.

Results for Saturday 2nd March

Mens Stableford	Div 2	Div 1
1 st	Graeme Calvert 42	Matt O'Carroll 42
2 nd	Allan McAuliffe 41	Gary Gillespie 42
3 rd	Harvey Teulon 41	Barry Coleman 41
Ladies	Jean Tench All Irons	Stableford
	1/ Stephanie Withell 70	1/Jill O'Neill 38
	2/ Victoria Webb-Smart 77	2/Marguerite Leitch 38
	3/Joyce Speedy 78	3/Jill Palmer 37

Good luck for Saturday, the rain is forecast to clear and it should be a fine day for golf.

Member Subs

With our end of financial year fast approaching can members please ensure their subs payments are current. Please contact the office if you wish to check your current status. Those with substantial member credits in the pro shop are also encouraged to take advantage of the specials on offer for the remainder of March – see below.

Pro Shop Sale

For the remainder of March we will be holding a sale on all golf items in the pro shop. Golf equipment and accessories will be 15% off with sale stock discounted by 25% and shoe stock as marked. Talk to the guys about your next purchase and take advantage of some great bargains!

Club Sponsorship

We are currently talking to several potential new sponsors but there is always room for more. We can tailor sponsorship packages to suit with fees commensurate with benefits such as membership(s), signage, green fee vouchers, course or venue hire and promotional opportunities. All course sponsors and Harewood Open pro-am sponsors are invited to the annual sponsors golf day also. If you or someone you know of are interested in a discussing a sponsor relationship at Harewood then please let Neville know.

Canterbury Club Golf Forum – “Managing your Club’s Future”

In conjunction with Canterbury Golf and Clearwater Golf Club, Harewood has been involved in the organising of a Forum day for Canterbury Clubs on Sunday May 5th. This is the first ever District club forum held in NZ. The day will be spent discussing and workshopping subjects such as maximising club profitability, new technologies, governance and club sustainability. A number of Harewood officials, members and staff will be in attendance in what should prove to be a very interesting day.

Technology Projects – D Day Approaching Fast!

On Monday 11th we will have DotGolf here helping with the installation of our new POS systems in the bar and pro shop. Training for all staff will continue into Tuesday so please bear with us if we look like we are working some things out as we go! We will also be installing the new scorecard scanning system and I will advise members a “go live” date for this next week. The new website should also go live shortly with a tentative date of March 20th being earmarked. New features such as online tee booking, member accounts and a member loyalty programme will be launched once these systems are in place and running as required.
