#### Member Update – from Club Captain Doug Claridge

Spring weather has arrived. Playing Saturday in the gusty NW gale made golfing tough for the afternoon players and reminded me of the possible dangers of pinecones falling at speed when blown from the pine trees we have around our course. The morning players certainly had the pick of the conditions with the wind strength affecting the ball flight in the afternoon. The Shootout was successfully completed on Sunday. 18 players started at 9.30am in a sudden death format to leave 2 players on the 18<sup>th</sup> green to decide the winner. Well done to Pete Coleman, the winner of the Shootout from Phil Barlow second. Third place was Terry Coleman with Danny O’Neill in 4<sup>th</sup>. There was some great competitive golf – some describing it to be more nerve wracking than match play, due to the stop start nature of the format. Last Saturday was the last monthly medal for the year. Those that have won please reply to Les Scott who is in charge of the final to be played on the 1<sup>st</sup> of December. This weekend the semi-finals of the 4 Ball sponsors cup are due to be played, the final of the event is the 24<sup>th</sup> of November. This weekend the Men play a Multiple Stableford, and the Ladies have The Josie Dwight Closing day stableford. The ladies will tee off at 12pm after a lunch at 11.00am.
